MILWAUKEE, WI - The Sixteenth Street community Health Center, 1032 South 16th Street, has been awarded an \$88,000 grant from the U.S. Bureau of Primary Health Care to help support continued operations at the South Division High School.

"This type of federal funding makes sense for the taxpayers. It supports prevention programs and other programs that encourage young people to take more responsibility for their own health and well-being," said John J. Bartkowski, Sixteenth Street Health Center is making a positive impact on the health care needs of our local residents," Bartkowski said.

Located in South Division High School, 1515 West Lapham Blvd., the school-based Wellness Center provides free, accessible primary health care and wellness services to the students at South Division High School.
