Hollywood actor Danny Trejo lectured to a crowd of teenagers at South Division High School Monday afternoon to emphasize the importance of a high school diploma. Known for successful films: "Desperado", "Heat", and "Dusk to Dawn" Danny explains that gangs and drugs are definitely a dead-end street, and that the motto "Higher Standards Starts Here is something to be proud of". The event was sponsored by Sixteenth Street Community Health Center, and South Division High School. *Photo by Harry Kemp*
